

# PRAIRIE HILLS NEWS

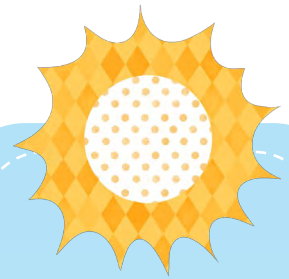

JUNE 2018

## MANAGER NEWS

Dear Residents Families and Friends,

Over the last few months you may have noticed some changes in our community. We believe these changes will help us serve you better, as well serve others in the future. One of the large changes to impact our community is the increase to our Memory Care community. Almost every minute someone is newly diagnosed with Dementia. There are many seniors who need these services. We transitioned four of our Assisted Living Apartments to Memory Care Apartments. We believe this will enable Prairie Hills Independence to better serve a broader range of seniors. We have continued to raise the bar with our services. As part of our improvements we have continued with staff training. We are really proud of our staff and want to make sure that we continue to equip them with the knowledge to be successful. At Prairie Hills we have also been implementing creative activities and events. We hope that you find pleasure in our activities and events. We hope that you continue to have an enjoyable experience here at Prairie Hills Independence.

Regards,  
Zach

Lucky Bird: Robin

## June Weather Lore

- If June is sunny, the harvest will come early.
- If it rains on June 8, it foretells a wet harvest.
- Cut your thistles before St. John (June 24), and you will have two instead of one.
- If it rains on June 27, it will rain for seven weeks.
- When it is hottest in June, it will be coldest on the same days of the following February.
