This month we had to bid farewell to Isaac as he goes on to pursue his secondary education in South Carolina but he graced us with a farewell performance on the keyboard. The residents filled the community room to say goodbye.

Left and Right: Residents enjoy opportunities to get a breath of fresh air and enjoy the beautiful weather. With the changing of seasons fast approaching days like these will be few and far in between.

Left: Lee, Sid, Luann and Berniece enjoying the musical talents of Isaac

Above and to the left: Some of the ladies enjoyed making funnel cakes during Cooking Club. We had a plethora of toppings to choose from and nobody's belly went empty.

**It's that time of year again for us to honor our residents and our staff.** National Assisted Living week is September 9th-**September 15th. This year's theme is "Capture the Moment".** The theme encompasses both photographic memories of the present and past and gives our residents something to think about for the future. What are their wishes/dreams that have yet to come true over the course of their lives? What is it that they would like to continue to do? Prairie Hills staff strives to make each day in our community amazing and enjoyable for each resident and our guests. How can they go the extra mile for you?

**Here's a look at this week's activities;**

- [Sunday September 9<sup>th</sup>](#) National Grandparents Day! We will be giving each resident a cute survival kit.
